SYED FARAZDAK MEHDI

Aspiring Full-Stack (MERN) Developer

Jaunpur, Uttar Pradesh | +91 7379194030 | syedfarazdakmehdi110@gmail.com | github.com/syedfaraz7860

PROFESSIONAL SUMMARY

Computer Science graduate with practical, project-based experience in MERN stack development and machine learning. Comfortable building responsive front-ends, RESTful APIs, and database-backed applications end to end. Quick learner with strong fundamentals in data structures, version control, and collaborative development, looking for an entry-level Software Developer role to contribute and grow.

TECHNICAL SKILLS

- **Programming Languages:** JavaScript, Python, Java, SQL
- **Frontend:** React.js, HTML5, CSS3, Tailwind CSS, Bootstrap
- **Backend:** Node.js, Express.js, RESTful API Design
- **Database:** MongoDB, MySQL, PostgreSQL
- **Tools & Platforms:** Git, GitHub, Docker (Basic), VS Code, Postman
- **Core & Analytics:** DSA, OOPs, Power BI, MS Excel, MS PowerPoint

PROJECTS

E-Commerce Website | *MERN Stack (MongoDB, Express, React, Node.js)* Mar 2026 – Apr 2026

- Built a full-stack e-commerce platform with user authentication, shopping cart, and order management.
- Designed and implemented RESTful APIs for product catalog, cart, and checkout flows.
- Integrated image upload functionality for product listings, improving seller usability.
- Built a fully responsive React.js and Tailwind CSS front end with Home, Product Listing, Product Details, Cart, Login, Signup, and Checkout pages, plus search and category filtering.

Sign Language Detection System | *Python, Keras, OpenCV*

- Developed a gesture-recognition model to detect and classify sign language symbols in real time.
- Trained and evaluated a CNN using Keras to improve gesture-classification accuracy.

INTERNSHIP EXPERIENCE

Web Development Intern | *InAmigos Foundation* May 2026 (2 Weeks)

- Developed the InAmigos Foundation website with a clean, responsive layout and improved navigation across devices.
- Built Learn Hub, an AI-assisted learning platform, customizing and integrating AI-generated code, testing features, and fixing bugs.
- Collaborated with the team to debug and refine existing website functionality.

TRAINING & CERTIFICATIONS

- Full Stack Web Development with AI — Internshala Trainings
- Python Web Development (45 Days) — Spidervella Technologies
- Web Development Internship Certificate — InAmigos Foundation

ACHIEVEMENTS

- Successfully completed Samsung Innovation Campus 2024 — Coding & Programming (Aug 7 – Sep 2, 2024).
- Won First Prize in Academic Speech Competition (school level).

EDUCATION

B.Tech, Computer Science & Engineering | *KMC Urdu, Arabi-Farsi Univ., Lucknow* CGPA: 7.3 / 10

Class XII — CBSE, English Medium, 2020 — 66% | Class X — CBSE, English Medium, 2020 — 73%

PERSONAL DETAILS

Date of Birth: 14 June 2005 | Gender: Male | Languages Known: English, Hindi (Read/Write)
